Rockside Brantfell Road

Bowness-On-Windermere, Windermere

Set in an elevated position within the heart of Bowness-on-Windermere, this beautifully renovated semi detached home enjoys a private setting in a quiet and exclusive residential area, just moments from the vibrant village centre. Bowness offers an exceptional lifestyle with its selection of independent shops, cafés and restaurants, along with easy access to the shoreline of Lake Windermere, all within walking distance. The property is ideally positioned just off Lake Road and close to local bus routes, making it easy to explore the surrounding area. Enjoying far reaching views towards Lake Windermere and the Lakeland fells, the property has also operated successfully as a 5-star holiday let, described by guests as cosy, comfortable, beautiful and a hidden gem.

The ground floor opens with an entrance porch leading into a welcoming hallway with a striking oak staircase, oak handrail and useful understairs fitted storage cupboards. The fully fitted modern kitchen has been thoughtfully refitted as part of the wider renovation and includes a range cooker with hood, microwave, fridge freezer, dishwasher, Worcester Bosch boiler and a separate laundry cupboard housing the washing machine. The lounge dining room is bright and well proportioned, featuring a fitted gas stove with living flame effect set on a slate hearth, while French doors open directly onto the rear decking and garden areas, creating a wonderful space to relax and enjoy the afternoon and evening sun. A contemporary ground floor bathroom with walk-in shower, heated towel rail, feature lighting and fitted wash basin with storage completes this level.

Upstairs, there are three bedrooms arranged off the landing. Two of the bedrooms benefit from built-in full-length illuminated wardrobes, while the principal bedroom is a spacious double with dual aspect windows enjoying both lake and fell views. A separate shower room serves the first floor and includes a walk-in shower, WC, wash basin with fitted storage and heated towel rail, providing practical and flexible accommodation.

Outside, the property continues to impress with ample garden space surrounding the home, designed for ease of maintenance with attractive Cumbrian slate and decked seating areas. The private driveway provides generous parking and adds to the sense of privacy, being set back from the main road. The property has been extensively improved by the current owner, including a new roof, updated central heating system, full rewiring and replastering, resulting in a home that is ready to move into or continue as a successful holiday let in one of the Lake District's most desirable locations.
